

REMARKS

1. Claims 41-74 were pending in this application. Claims 41, 51, 58, and 65 have been amended. No claims have been cancelled, and no new claims have been added. Therefore, claims 41-74 remain pending in this application.
2. Applicant maintains that the claims are patentable over Bacon and the other prior art of record. The above amendments more distinctly point out the utility of the ghost locks, and were not made to avoid the prior art.
3. Claims 41-74 are pending in this application. All pending claims are believed to be in a form suitable for allowance. Therefore, the application is believed to be in a condition for allowance. The Applicant respectfully requests early allowance of the application. The Applicant requests that the Examiner contact the undersigned, Jeffrey T. Klayman, if it will assist further examination of this application.

Respectfully submitted,
